# THE END

As this last year at Montezuma High School draws to a close, we end our association with mixed emotions. We who have worked closely together as a yearbook staff share many memories. Producing a yearbook is always a long and painful process, but producing the last edition of Montezuma High School's Impressions has been an exciting challenge.

We hope you enjoyed this yearbook, and that it will preserve for you the memories of 1986, the last year at Montezuma High School.
