Lewis and Miama "Amy" (Mounsey) Huffman are my second great grandparents.

The bible was found in a trunk of Della (Bevington) Huffman's that I have inherited from the home place (farm #1), 1304 South Marion Road, Huntington, Indiana 46750 -- following my Dad's (Robert L. Beaty) death on 29 Apr 2007.

Della (Bevington) Huffman (my great-grandmother) was wife of David Palmer "Doc" Huffman who is listed in the family bible data below. Della Huffman lived into her 97th year, died 29 May 1973. She was living with us in this home place described above) at the time of her death, having out-lived all of her children.
